I will be taking a short hiatus from running the group. I am looking for someone to help out around the site and group for a few months until things settle down again in November. This can be one person or more than one. I need someone to review site posts, share occasional stories on the blog or facebook page and if you are up to it, plan an event of your choosing.. If you are interested, email members AT hvnudist DOT com (of course style that correctly, antispam tactics)
