NYACK BODYPAINTING DAY

One of the most acclaimed and controversial artists of our time lives in Nyack. His canvas is the human body. He's created events in Times Square to the Guggenheim. Now ANDY GOLUB comes home.

Why nude bodies? How did he come to this? What have been his biggest challenges? What's been the reaction?

Come for the conversation. And sign up to be one his models!

To be considered a model (male and female) for the event, you must be 21 years old and email your request to info@artsrock.org
