---

I know this isn't totally nudist related, but if any of you are interested in making some part time money, working for yourself, consider driving for Uber.

The image shows a hand holding a smartphone displaying the Uber app interface. The Uber logo is visible in the top left corner of the phone screen. The background is a blurred city street at night.

**YOUR FIRST RIDE FREE WITH UBER**  
SIGN UP WITH CODE  
**BECVTPUE**

**Up to \$15.00 of your First Uber Ride**

**WHAT IS UBER?**  
Uber is an app that connects you with a driver at the push of a button. Track the arrival of your ride, Payment is Cashless and you'll even receive a text message when your driver arrives.  
Select Uber X for up to 4 passengers  
OR Uber XL for up to 6 passengers

**1** DOWNLOAD THE APP AND ENTER THE CODE **NEW USERS ONLY**

**2** REQUEST A RIDE AND HOP IN

Download on the **App Store** | **GET IT ON Google play**

We started a few months ago and we really enjoy it as we can work whenever we feel like it and make a little extra money now and then. And sometimes, it pays really well, like the examples I posted in the video below.

And I do get in some interesting conversations about nudism. Like one time when the passengers all got in and one asked why I had clothes on. Took me a minute to remember the Life is Short, Play naked sticker on my back window.

Anyway, here's the video and hopefully it helps some of you.
