Last year, we here at the Voice discovered a tiny loophole in New York City's legal code after a woman was spotted topless on the Bowery: females have the same right as males to appear naked from the waist up in public. A few months later, we offered a guide on how to rock out with your boobs out on New York City's streets. Needless to say, everyone had a great time writing and reading about it.

Well, today, all the aforementioned information is culminating in a city-wide side-boob extravaganza: it's National 'Go Topless' Day, where women celebrate their inalienable right to show off their God given private parts!
