Meet Bruce, the 8th participant of my series, [The Real Nude Beach Photography Project](#), which took place at Gunnison Beach in 2017. Bruce has been visiting Gunnison for many years. He's also become an outspoken and enthusiastic advocate for nudism, telling everyone he can about the beach. In this interview Bruce explains why the beach is not a catwalk, how to be respectful with photos and how to be a "live and let live" nudist. Read more in our full interview below!
