I would like to welcome you to the Lower Hudson Nudists. As you can register with the group don't forget to tell your friends, so we can grow into a more prosperous group.

This year I am planning to go to some of the other resorts like Berkshire Vista and Solair, and explore some of other areas of New York where we can be free. I would love to have company as I explore some of these areas. And plus there will be some house parties in the future, we just need people to host them.

Welcome to our group. Please don't be a stranger.
